Dear Congresswoman Brownley:

The Fleet Reserve Association (FRA) supports your legislation, "Building Supportive Networks for Women Veterans Act" (H.R. 91). This will make the requirement for the Department of Veteran Affairs provide reintegration and readjustment services in group retreat settings to women veterans and those who were recently separated from service after a prolonged deployment permanent to allow for a quality transition while building a strong network of supporters.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Brian Condon, Assistant Director of Veterans Programs, at brianc@fra.org.

Sincerely,

THOMAS J. SNEE
National Executive Director
