Dear Congressman Knight:

The Fleet Reserve Association (FRA) supports your legislation, "No Hero Left Untreated Act" (H.R. 5600). The bill requires the Department of Veterans Affairs to carry out a one-year pilot program to provide access to magnetic EEG/EKG-guided resonance therapy technology to veterans suffering from PTSD, TBI, MST, chronic pain, or opiate addiction.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Brian Condon, Assistant Director of Veterans Programs, at brianc@fra.org.

Sincerely,

THOMAS J. SNEE
National Executive Director
