Dear Congressman Cartwright:

The Fleet Reserve Association (FRA) supports your legislation, the “Veterans Care Financial Protection Act” (H.R. 3122). This bill requires the Department of Veterans Affairs to work with federal agencies to develop and implement federal and state standards that protect individuals who are eligible for increased pension for a non-service-connected disability or death or for service on the basis of need for regular aid and attendance from dishonest, predatory, or otherwise unlawful practices.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Brian Condon, Assistant Director of Veterans Programs, at [brianc@fra.org](mailto:brianc@fra.org).

Sincerely,

THOMAS J. SNEE  
National Executive Director
