Dear Congressman Coffman:

The Fleet Reserve Association (FRA) supports the “Veteran Over Medication Act” (H.R. 2652). Suicide among veterans will always be unacceptable. Requiring the Department of Veterans Affairs (VA) to review the suicides of all veterans who received VA hospital care prior to their death will help others better understand the motives and patterns of those veterans who made that unfortunate decision. The information gathered will help other veterans before it’s too late.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Brian Condon, Assistant Director of Veterans Programs, at brianc@fra.org.

Sincerely,

THOMAS J. SNEE
National Executive Director
