The Honorable Dan Newhouse
U.S. House of Representatives
1641 Longworth House Office Building
Washington, DC 20515

Fax: (202) 225-3251

Dear Congressman Newhouse:

The Fleet Reserve Association (FRA) supports your legislation, the “Veterans Emergency Treatment Act” (H.R. 3216). The bill would require that when a veteran requested medical treatment at an emergency room at a VA medical facility, a medical screening be conducted to determine if an emergency medical condition exists.

The Association appreciates your dedication to veteran issues. The FRA point of contact is Brian Condon, Assistant Director of Veterans Programs, at brianc@fra.org.

Sincerely,

THOMAS J. SNEE
National Executive Director
